Dental insurance

Ilera Holistic Healthcare offers one dental plan through UnitedHealthcare. It is a PPO plan, so you can use in-network or out-of-network benefits. If you use an out-of-network dentist, you are responsible for the difference between UnitedHealthcare's allowed amount and what the dentist charges, also known as "balance billing."

In-network dental benefit	Dental plan
Deductible: individual / family	$50 / $150
Annual maximum per covered person	$1,500
Preventive care: exams, X-rays, cleanings, sealants	$0
Basic procedures: fillings, root canals, oral surgery, gum treatment	You pay 20%, after deductible
Major procedures: crowns, inlays, bridges, dentures	You pay 50%, after deductible
Orthodontia: children and adults	$1,000 lifetime maximum per individual

Bi-weekly costs appear on page 10.
